OR REVOCATION OF THE LICENSE OF :

BENJAMIN MARKS, D.D.S. :

TO PRACTICE DENTISTRY IN THE :
STATE OF NEW JERSEY :

Administrative Action

CONSENT ORDER

This matter was opened to the New Jersey State Board of Dentistry (hereinafter Board) on a Motion for Enforcement of Litigant's Rights and Continued Suspension of Order with attached affidavits on November 28, 1990 which state that Dr. Marks is continuing to practice dentistry despite an Interim Consent Order agreed to by respondent at a hearing on August 24, 1990 providing that Dr. Marks' license to practice dentistry in the State of New Jersey shall be temporarily suspended pending the evaluations referred to in the Interim Consent Order. Anne Marie Kelly, Deputy Attorney General appeared and represented to the Board as to her telephone conference with Anthony Rocco, Esq. counsel for

respondent on November 27, 1990 wherein counsel for Dr. Marks represented that Dr. Marks does not have any objection to the entry of the within Order.

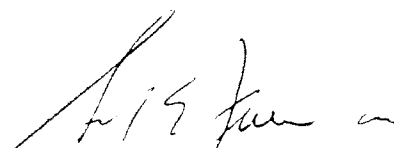

It appearing that the within Order will adequately protect the public health, safety and welfare and for good cause shown,

IT IS ON THIS 28th DAY OF NOVEMBER, 1990,

ORDERED THAT the license of Benjamin Marks, D.D.S. to practice Dentistry in the State of New Jersey shall continue to be temporarily suspended pending the evaluations referred to in the Interim Consent Order, and it is further

ORDERED THAT on November 28, 1990 respondent shall ~~use~~ on demand made by investigators from the Enforcement Bureau, Division of Consumer Affairs, turn over all dental hand pieces, hand held dental instruments and prescription pads utilized in the practice of dentistry and take such other steps as may be necessary to render the equipment located in his office unavailable for use in dental treatment or diagnosis. The investigator shall provide a receipt for all items removed to Dr. Marks, and it is further

ORDERED THAT all of the conditions of the Interim Consent Order shall be continued.

Samuel E. Furman, D.D.S., President
State Board of Dentistry
